

*Serial No. 10/657,722**Attorney Docket No. 2185.010USU (AUC-32822)**Supplemental Amendment and Response After Final Rejection
Response to Advisory Action of May 6, 2005***REMARKS**

This response replies to the Advisory Action mailed May 6, 2005, rejecting claims 1-5, 7-15, and 17-20 and objecting to claims 6 and 16 (the "Advisory Action"). In an earlier Office Action mailed March 3, 2005, the Examiner indicated that claims 6 and 16, if rewritten in independent form including all of the limitations of their base claims and any intervening claims, would be allowable. Applicants have amended the claims to cancel claims 1-5, 7-15, and 17-20, and have rewritten claims 6 and 16 in independent form to include all relevant limitations. Applicants request withdrawal of the objections to claims 6 and 16, and that the application be allowed.

Applicants believe that the remaining claims are patentable, have submitted herewith an appropriate petition for extension of time to respond, and request that the Examiner issue a Notice of Allowance for claims 6 and 16.

Respectfully submitted,

Gabriel S. Gross
